Dear Parents,

You may have been hearing about some exciting new things happening here at Western Rockingham Middle: we are now, known, throughout the district as a **PBIS Exemplar School**. Our mentoring program has been a huge success which will continue along with our monthly rewards program, and weekly prizes. These are just a few pieces of the continued success of our Positive Behavior Intervention and Support (PBIS) program. PBIS has been implemented in hundreds of schools across our district, state, and country, and has been shown to improve school climate and decrease discipline problems.

Our PBIS motto is “Willing Ready Motivated (for) Success.” The goal of PBIS is to teach and reward positive behavior and to encourage a positive atmosphere throughout our school. We hope that you will help our school become a more positive place by teaching and modeling our School-wide Expectations at home, and by encouraging your child to follow the rules and expectation in each area of our school. We thank you for your support in this initiative. Please feel free to contact us at school if you have any questions or input!

Sincerely,

Duane Hensley
Principal
